Stratodesk NoTouch – Advanced Endpoint OS and Management for Citrix Endpoints

Unlock the Full Benefit of Your Citrix VDI in Education with an All-In-One Solution

Citrix Ready Partner Pavilion EDUCAUSE 2018

booth
#413

NoTouch brings educational institutions a myriad of benefits

- Standardize endpoints, cut maintenance costs and save time

- Manage, configure and update endpoints at multiple sites from one location

- Highly scalable management solution with asset tracking, reporting engine, user rolls, and certificates

- Decrease boot-up and login time while increasing endpoint security, accessibility and productivity

- NoTouch PC Repurposing saved a school district up to **85%** of the cost of purchasing new hardware

- University students and teachers reclaimed more than **1,200** class room hours a year by faster logins

- University IT saved more than **13 weeks** of staff hours a year thanks to the hassle free OS and automated management solution and achieved almost a 100% endpoint availability

NoTouch Desktop is the premier endpoint OS and management suite for both x86 & Citrix Ready workspace hub devices with full HDX support (Flash Redirection, Skype for Business, H.264, smart card and Single Sign-on Support)

- ✔ Repurpose any existing hardware (x86 and ARM/Raspberry Pi) and increase ROI

- ✔ Supports various boot options including "live boot", network boot (PXE), and installation on hard disk or flash drive

- ✔ Enable BYOD by using any USB stick as a portable, preconfigured Thin Client

- ✔ The OS and management solution of the Citrix Ready workspace hub

All-in-one, comprehensive EUC solution for education that delivers full configurability, scalability, Single Sign-on and multi media support

Visit our booth

- Live, in-depth technical demo of NoTouch Desktop from our team of knowledgeable tech professionals.

- An inside-look at the software chosen to be the operating system of the Citrix Ready workspace hub

- The cutest swag at the show–our Stratodesk bear mascot on a keychain

Meet us in the Citrix Ready Partner Pavilion at booth **#413** for a live demo!
