Print Management Solutions for Healthcare

We exist to Simplify, Secure, and Scale your printing environment.

Patient care is your priority. Simplifying your printing is ours.

Printing made simple for EHR/EMR

Streamlined healthcare document printing

Eliminate print driver problems and instabilities

Citrix Ready partner since 2007

Achieves printing success no matter the client type

Enhanced universal print driver including advanced print features

Tricerat offers unique, remote desktop Citrix printing solutions to improve printing for your organization.

At HIMSS23, join us to witness

Tricerat's ScrewDrivers® in action and how it can layer into your existing Citrix environment to provide you with simple, secure, and scalable print management.

Meet us at
Citrix Ready Partner Pavilion booth 674
