

The Upwork Talent Solution with Citrix Workspace™

Automatically onboard your independent professional into a secure workspace with access to the applications you want them to have.

Work with independent professionals and give them secure access to work from anywhere, on any device with a **“Productivity Payback”**

Lean on the Upwork **“Continuum of Trust”** for peace of mind to use independent professionals on your largest, most important projects.

Performance

- Turn-key solution from onboarding to offboarding
- Access to all the apps, files, and data you want them to have...in one place
- Faster cloud processing and bandwidth reduction
- Makes VPN obsolete
- No-load IT

Security

- Fully integrated from sign-on to sign-off
- Built on the Zero-Trust™ framework
- Real-time monitoring with automated remediation
- “Military Grade” ID Proofing
- In-app security

Productivity

- Intelligent automation for optimal ramp times
- “Never miss a deadline” simplified collaboration across the entire team
- Eliminates low value tasks
