Custom & consistent work experience

Reduced TCO and maximized hardware investment

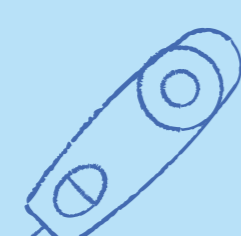

Decreased environmental waste and energy emissions

19%+ average energy reduction by installing ChromeOS Flex

With ChromeOS Flex, turn your slow, old laptop into a speedier Chromebook for free

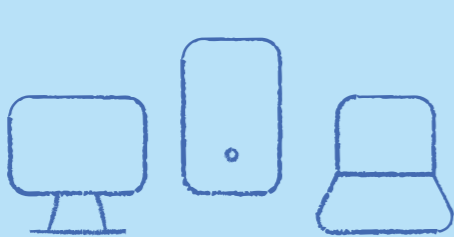

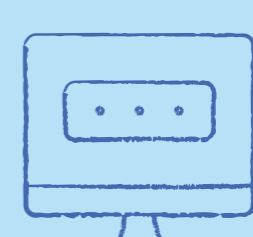

Step 1

Create a bootable ChromeOS Flex USB drive, and try ChromeOS Flex without installing it.

Step 2

When you are ready, install ChromeOS Flex on your PC or Mac to replace your operating system within minutes.

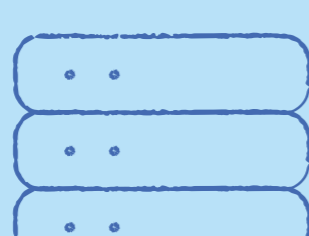

Step 3

Deploy ChromeOS Flex to more devices in your organization via a USB drive or network deployment.

Step 4

Manage all users' devices, apps, and/or desktops with Citrix integration in Google Admin console.

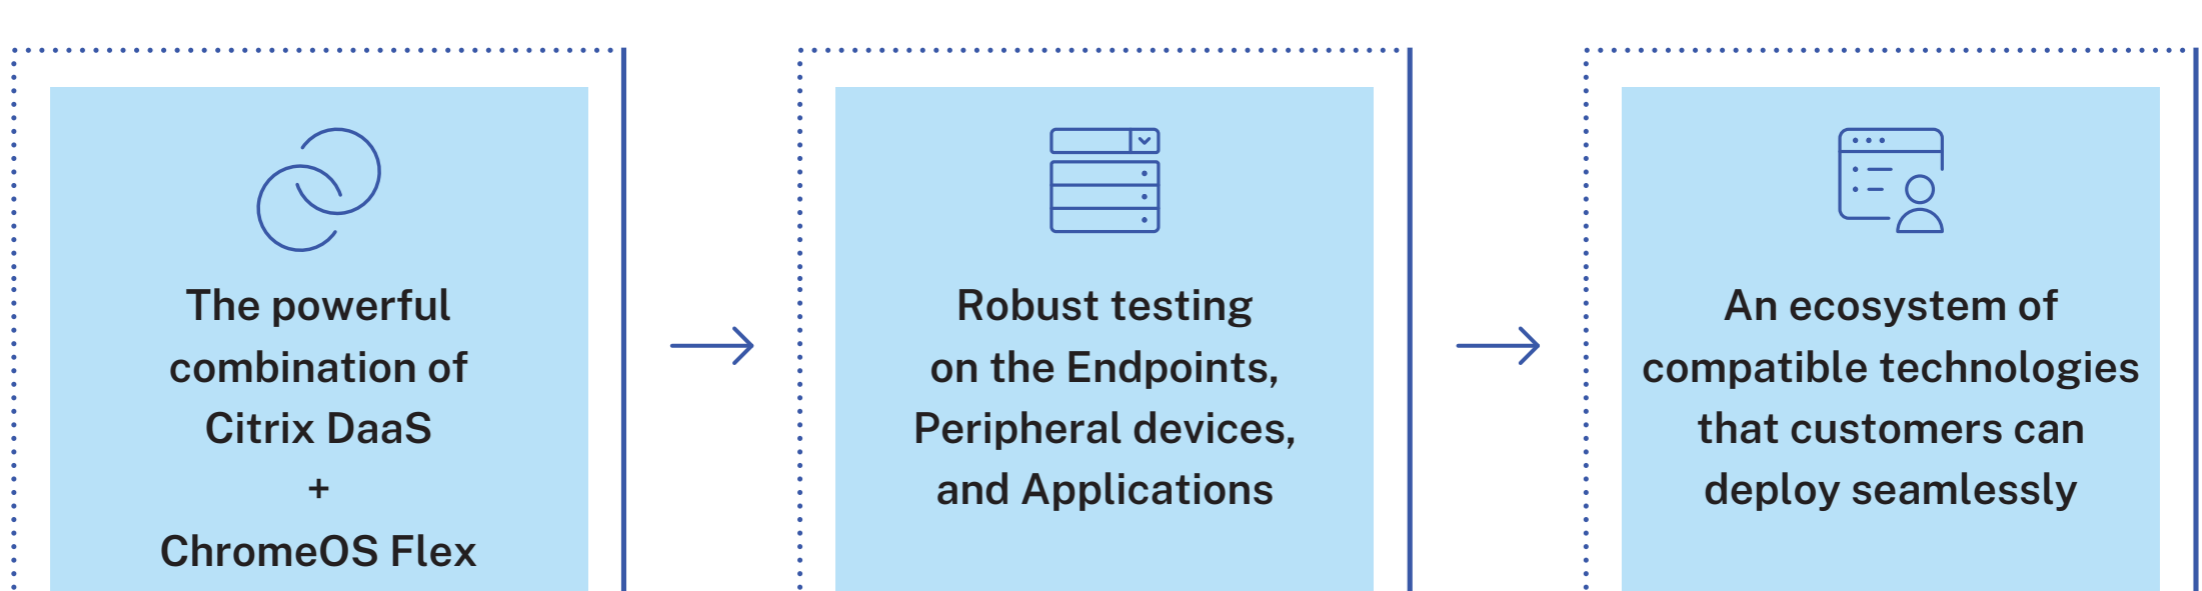

Step 5

Seamlessly deploy peripheral devices and applications.

Citrix Ready Validated Solutions

Select any application, endpoint and peripheral that fits your needs. We've made sure they all work perfectly together with ChromeOS Flex and Citrix DaaS.

Endpoints (with ChromeOS Flex)	Peripherals	Applications
<input checked="" type="checkbox"/> Dell Latitude 3510	<input checked="" type="checkbox"/> Wacom STU 430 Signature Pad	<input checked="" type="checkbox"/> Microsoft Teams
<input checked="" type="checkbox"/> HP 640 thin client	<input checked="" type="checkbox"/> Blackwire C3220 Headset	<input checked="" type="checkbox"/> RingCentral
<input checked="" type="checkbox"/> 10Zig 6100 Series	<input checked="" type="checkbox"/> Logitech C615 Full HD Webcam	
	<input checked="" type="checkbox"/> Dymo 450 Label Printer	
	<input checked="" type="checkbox"/> Blackwire 5220 Headset	
	<input checked="" type="checkbox"/> Logitech C270 HD Webcam
